Master of Arts in International Business and Economics

Welcome

Dear Prospective Master Student:

Welcome to the FIBAA Accredited Programme offered by the Faculty of Business and Economics at the University of Applied Sciences Schmalkalden.

We are highly committed to being an educational institution of excellence in the fields of business and economics. In a small town almost in the geographical center of Germany, we aim at an international group of students and employees. Half of our master students to have an international background and to come from different countries.

This constellation in conjunction with small class sizes, a modern campus building with state-of-the-art technology and a high level of interaction between students and faculty members provide a learning environment you may not find elsewhere.

This program reflects our idea to provide our most valued assets - our students - with a truly international approach. We offer a unique program and to prepare them for a successful professional career in business or for their subsequent research.

The Master of Arts in International Business and Economics will start in October, and is a two-year research-based program with a strong international focus.

The first year (two semesters) will take place from:

- Monday, October 4, 2010 (opening ceremony) to Friday, February 18, 2011 and
- Monday, March 28, 2011 to Friday, July 29, 2011

Please spend some time browsing our website. It gives detailed information on the application procedures, the schedules, examination regulations and other information on the Master program.

Thank you for showing interest in our program. We will be proud to welcome you as a Schmalkalden student in the future and to present you an advanced business and economics degree that will help you to accomplish your personal goals.

Sincerely,

Prof. Dr. Robert Richert

Prof. Dr. Peter Schuster

Directors of the Master Programme
