

Application form - *thoska* (Thüringer Hochschul- und Studentenwerkskarte)

We require an actual coloured passport photo for issuing the *thoska*. The photo must be fixed on the form. Please sign the back side with your name and student ID. The photo will be scanned and printed on the chip card.

The photo should meet the following requirements:

- full frontal view of the face
- full visibility of head and hairstyle
- ¾ of photo should be face
- eyes should be clearly visible and not covered by hair or frame of glasses (no sunglasses or dark glasses)
- remove hair from face
- head coverings of any type are not permitted (with exception of religious reasons, in which case the face must be fully visible)
- proper contrast and sharpness
- no reflections, shadows or red eyes

Please note: no do-it-yourself print-out or detail of a photo, etc.!
