

To all students !!!

The University of Applied Sciences Schmalkalden plans to establish the multifunctional chip card *thoska* (Thüringer Hochschul- und Studentenwerkskarte) from summer term 2009 on.

For you as a student the *thoska* is the official student ID that is valid throughout your whole student career at FHS. The *thoska* will displace the ID in paper form. For a limited period of time, you will receive the paper based ID additionally.

The *thoska* is available for free. You can still decide individually if you apply for issuing a *thoska* and if you really use it.

Functions:

- Student ID
- Library Card
- non-cash payment at the university's restaurant (Mensa)
- regional train ticket for the whole semester (Semesterticket)

For issuing the *thoska* you have to hand in an actual coloured passport photo. You must pick up the personalized card personally in the *thoska*-office.

You find more information about *thoska* and the opening hours of the *thoska*-office on:

<http://www.fh-schmalkalden.de>.

If you have more questions, please write a mail to the *thoska*-office:

thoska@fh-schmalkalden.de.

Please send the application form completely filled in, signed and with the photo to the *thoska*-office:

Fachhochschule Schmalkalden
thoska-Büro
Blechhammer
98574 Schmalkalden

or hand it in personally.

Kind regards

Your *thoska*-office
